

ANTI PIRACY STATEMENT

Taipei City, Taiwan (August 5, 2011) – Brinno Incorporated, the world’s leading manufacturers of The Digital Peephole Viewer, has initiated multiple actions against several China companies for various intellectual property issues, including patent infringement, false marking, trademark infringement and unfair competition.

Come from the recently market survey from our authorized distributors worldwide, some companies and individuals who are not authorized by Brinno as its dealers sold the counterfeited products and copy “Brinno” products and hardware technology illegally to produce piracy “The New Digital Peephole Viewer” for sale. That is serious harm to the user’s interests and the company’s reputation.

Brinno Incorporated has never transferred and authorized to any company of technology for their production and sales, the related violations must immediately stop the infringing act. We will actively investigate these violations, and tort liability shall be held accountable.

Brinno Incorporated operates in strict accordance with the legal responsibilities accorded in the International Intellectual Property Acts. And, Brinno will never accept unjustified interference in our intellectual property rights, and will take whatever steps necessary to protect our rights. Brinno Incorporated holds a substantial amount of intellectual property such as patents and trademarks. The Company will vigorously defend its rights against anyone else.

All copyright, design rights and intellectual property rights existing in our designs and products and in the images, text and design of Brinno website and marketing material are and will remain the property of Brinno Incorporated. We will treat any infringement of these rights seriously.

Any unauthorized duplication, distribution or public/private exhibition of copyrighted material is strictly prohibited. Written authorization must be obtained. Please report any incidents of suspected piracy to Brinno Incorporated.
