

PHOTO VISITOR LOG

Automatic Photo Capture & Fast Playback of Daily Activity!

Auto Capture

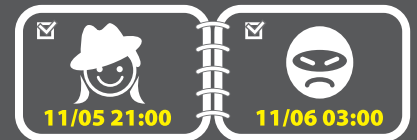

Motion is detected through PeepHole with the ambient light sensor

Fast Playback

Review your daily guests with the push of a button

Photo Visitor Log

Auto image capture through the PeepHole

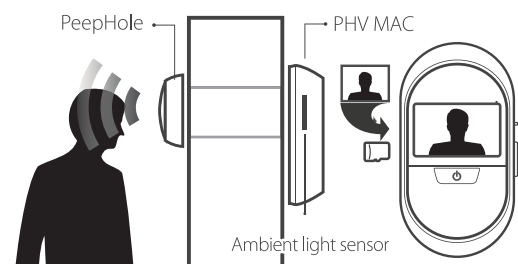

Built-in Ambient light Sensor

The **Motion Activated PeepHole Camera** uses the traditional PeepHole thus not alerting anyone outside the door they are being photographed. Battery saving technology allows the PHVMAC to last for approximately **9000** triggers.
